

Name _____

Problem Solving

Use a Table

The Social Studies teacher at Kaplan School took a survey to find out what field trip his students wanted to take. He made a table to show the most popular choices and the number of votes for each.

Students' Votes for Field Trip	
Field Trip Ideas	Votes
City Hall	55
Fire Station	87
Electric Company	23
Police Station	119

1. Which field trip idea got the greatest number of votes?

2. Which idea got closest to 100 votes?

Mixed Applications

STRATEGIES

- Guess and Check
- Act It Out
- Use a Table

3. There were more votes for the Courthouse than for the Civic Center, and more for the Animal Shelter than for the Courthouse. Which of these ideas got the fewest votes?

4. Out of 10 field trip ideas, the Art Museum was the sixth most popular. How many field trip ideas were more popular than the Art Museum?

SOCIAL STUDIES CONNECTION

5. Ask ten friends to vote for visiting City Hall, the Fire Station, the Electric Company, or the Police Station. Show your results in the table.
6. Which trip idea received the most votes? the fewest?

Friends' Votes for Field Trip	
Field Trip Ideas	Votes
City Hall	
Fire Station	
Electric Company	
Police Station	

Problem Solving

Answer Key
